SECTION - C

14) Read the following passage carefully and answer the questions given below. [5]

Papaya is the healthiest fruit with a list of properties that is long and exhaustive. It first originated in Southern Mexico and neighbouring Central America, but it is now available in every tropical and subtropical country. Papaya favours digestion as well as cures skin irritation and sun burns. You can munch on it as a salad, have it cooked or boiled or just drink it up as milkshake or juices. Modern science confirms the old age beliefs that Papaya has much to contribute to the health cause. The most important of these virtues is the protein-digesting enzyme in the milky juice or latex.

Questions:

1. Which is the old age belief the modern science confirms?
2. In what ways can you eat Papaya?
3. Which is the most important virtue of Papaya?
4. Where is it first originated?
5. Why is Papaya the healthiest fruit?
